

## Smart Vending Machines

The **UMAC2** vending machine revolutionizes meal sales with its 36 refrigerated compartments, capable of holding between 108 and 150 hot or cold ready-made meals. Ideal for restaurants, cafeterias, and company dining rooms, it offers 24/7 service, boosting your sales even outside of regular hours.

Equipped with a 32" touchscreen, an integrated professional microwave, and a secure payment system, it ensures a smooth and convenient experience.

Thanks to its management software, you can track your sales in real-time. This vending machine is perfect for any public or private space.
