

# UMAC 4

## Smart Vending Machines

The **UMAC4** Vending Machine is an innovative automated solution designed specifically for pharmacies and the distribution of small products in large quantities.

With 180 adjustable compartments, it allows for the storage and sale of medications, beauty, personal care items, accessories, and more. Its 21.5" touchscreen ensures smooth navigation, while the Moneris payment system guarantees secure transactions. Thanks to its real-time management software, tracking your sales has never been easier.

Perfect for both public and private spaces, the UMAC4 optimizes product distribution and provides 24/7 accessible service. Now available to revolutionize your business.

**Machine adapted to  
your products**

**Increase your sales at  
low cost**

**Works 24/7**

**Solution for rising  
commercial ft<sup>2</sup> costs**

**Solution for labor  
shortages**

**Solution for rising  
wages**
