

UMAC3FP

Smart Vending Machines

The **UMAC3FP** is the compact, refrigerated version of Groupe UMAC's autonomous vending technology.

Ideal for selling alcohol, fresh products, or specialized items, it fits perfectly into private environments such as hotel rooms, VIP lounges, relaxation areas, or reception zones.

With its intelligent item-detection system and automatic billing, the UMAC3FP delivers a smooth, fully self-service experience — with no checkout or human intervention required.

A discreet format, intuitive use, and full autonomy to offer 24/7 service wherever access needs to be controlled and personalized.

**Machine adapted to
your products**

**Increase your sales at
low cost**

Works 24/7

**Solution for rising
commercial ft² costs**

**Solution for labor
shortages**

**Solution for rising
wages**
